

MÉTHODE TRADITIONNELLE

May Georges

BRUT

CRÉMANT DE LOIRE
A.O.C.

May Georges Crémant de Loire is a blend of three single vineyards, which combined total nine hectares. The first vineyard is in Touraine, among rolling green hills; the second is in the historic appellation of Montlouis, with its infamous Tuffeau soils; and the third is planted in saline-rich soils alongside the Loire River. The combination delivers the Loire Valley's hallmark pastoral notes, firm minerality and savory finish.

"Luminous and mallifluous - here to rattle your heart around."

TASTING NOTES

Delicate golden color with elegant bubbles, which rise with great energy. A striking balance of fruit purity and biscuity richness makes room for chalky minerality on the nose. Loire's own Chenin Blanc brings chamomile and lanolin, adding complexity to Chardonnay's fresh green apple and Pinot Noir's delicate cherry flavors. A vein of focused acidity runs through an otherwise creamy texture, and a kiss of residual sugar provides for a rounded mouthfeel. The wine weaves between savory and crisp, and comes together for a long, precise finish. A textbook example of Méthode Traditionnelle bubbles, delivered at a tremendous value.
